

Attention Future Spartans and Family:

Limited Seats are still available in some of our Magnet Programs! Interested parents must first download and fill out the **Off-Cycle Magnet application**, and then contact us directly to confirm availability and registration information. Students must meet entrance/eligibility requirements for acceptance. Seats will be filled on a first-come, first-served basis. Accepting an Off-Cycle seat will not affect your wait-list status on your existing Magnet application.

Once you have been accepted to a Magnet Program, enrollment must be completed by filling out and returning the following forms that may be found in the registration packet for the selected Magnet Program.

- Magnet Enrollment Agreement - Form A or Form B (for AP Capstone only)
- Media Release Form
- Subject Selection Form for designated Magnet Program

***Non-MDCPS students** should also bring in additional documents for registration:

- Original birth certificate or birth card – Must be original; hospital certificate not acceptable.
- Student Health Examination – DH 3040 yellow form health examination performed within one year prior to enrollment
- Florida Certificate of Immunization – DH 680 blue card from a private doctor or local health provider
- Transcripts
