11th Grade Subject Selection

Hello, Class of 2028 Spartans! We are excited about next year! Carefully complete your electronic Subject Selection with the help of your counselor or parent/guardian by no later than March 15, 2026. Administration reserves the right to select courses for any student who fails to submit their subject selection by the due date. Course schedule will be prioritized in the following order: core classes, magnet classes, AP and DE classes, classes based on course progression (level 1, 2, 3, and 4), and student selected elective choices.

- Not Interested

CORE CLASSES

ENGLISH, MATH, SCIENCE, and SOCIAL STUDIES

You will be placed into core classes based on course progression, assessment levels, GPA, and teacher recommendation. Once student core courses are selected, you will be notified of your core class placement and be able to speak to your counselor if you have any concerns before the end of the year.

If you are an AP Capstone student or wish to take specific AP and DE courses, please select "YES" to the Advanced Academic Courses Request question below.

ADVANCED ACADEMIC COURSES

If you are interested in taking additional Advanced Academic courses next year, please select yes to the question below. Once approved to take Advanced Academic courses (based on GPA, test scores, and attendance), you will be sent an Advanced Academic Subject Selection form to complete.

Are you interested in taking any additional Advanced Academic courses next school year? *

- YES, please send me an Advanced Academic Course Subject Selection form link to my dadeschools email.
- NO, I am not interested.
